THE UNEXPECTED

The opening of this store in November with an entirely fresh Dry Goods stock was a trade event without precedent.

This first show of new goods just at the beginning of Winter gives a pleasure to the thousands that daily come to give welcome to the new business in the old store.

The thousands more that are yet coming hardly need to be reminded of the attractions and novelties. They are abundant.

The store is especially strong in Dress Goods and Women's Ready-to-Wear Garments—Dresses, Wraps and Cloaks. Paris and Berlin, New York and Philadelphia are represented in the Coats. Only the newest stuffs and the latest fashions gain entrance here. Absolute completeness marks the stock, which is priced from \$6 to \$105.

The manager of the great Cloak and Wrap interests of our business is a WRAPS sort of price wizard-at least that is the opinion of many who, for the last ten days, have been reaping the rich fruits of his bargain making.

At \$8 50—Women's tan frieze Walking Coats, tight fitting back, double breasted, fly front, two fancy buttons at neck, in-laid velvet collar, half lined with satin rhadame, seams all bound.

\$9-Cheviot Walking Coats, new fly front, plain rolling collar, tailor back, newest sleeves, half lined with satin rhadame. seams all bound.

We have good reasons to believe that we are the heaviest American dealers in French and English Scarf Squares. Our people make personal selections in Paris and London of sorts and styles that are kept exclusive to our houses.

Excusiveness in fancy textiles usually means high cost. Not so here. These materials are the richest-choicest-but the prices are made on the Wansmaker plan. See window on Broadway
